ENERGY DEPARTMENT - Creation of 171 additional posts in APTRANSCO Wing for operation and maintenance of EHV substations and lines in Transmission Corporation of Andhra Pradesh – Orders – Issued.

FINANCE (SMPC) DEPARTMENT

G.O.Ms.No. 45

Date: 13.02.2009

Read the following:

1. From the CMD, APTRANSCO Lr.No.Addl.Secy./ADE(MPP)/A1/638/2008-4, dt. 24.07.2008.
2. Energy (Ser.) Department U.O.No. 5413/Ser./08, dated. 13.02.2009

ORDER:

The Energy Department have stated that in the reference read above, the Chairman & Managing Director, Transmission Corporation of Andhra Pradesh has requested for creation of 171 additional posts for operation and maintenance of Extra High Voltage substations and lines in Transmission Corporation of Andhra Pradesh.

2. The Chairman & Managing Director, Transmission Corporation of Andhra Pradesh in the reference read above has stated that the APTRANSCO engaged in the business of transmission of Electricity throughout the state of A.P., at the extra high voltage (EHV) level of 132 KV, 220 KV and 400 KV. Every year, new service connections are being released in various categories and power to be transmitted is increasing which is continuous process. Thus construction and maintenance of additional substations and transmission lines is felt necessary to meet the system demand from time to time, for transmission of quality power.

3. Accordingly, 171 posts proposed for creation are barest minimum and are essentially required for operation and maintenance of the critical extra high voltage (EHV) sub-stations viz., 400 KV, 220 KV and 132 KV substations which are feeding major towns, industrial loads and railways etc., to discharge the functions entrusted to APTRANSCO in effective and efficient manner to supply quality power and also to protect the revenues with ever increasing demand, Transmission capacity, number of substations, number of Transformers and length of lines, and to avoid dislocation of works. Further, stated that it is felt that manning of Critical Grid Sub-stations with Departmental staff is essentially required instead of outsourcing.

4. The Chairman & Managing Director, Transmission Corporation of Andhra Pradesh has stated that the financial commitment for creation of 171 additional posts in Engineering Wing will be around Rs. 347.57 lakhs per annum. The Transmission Corporation of Andhra Pradesh would bear this expenditure/establishment charges from within internal resources by improving its internal efficiency.

(P.T.O.)

5. Government after careful examination of the proposal hereby agree to the proposal of Transmission Corporation of Andhra Pradesh for creation of the following posts in APTRANSCO:

| Sl.No. | Designation | No. of posts | Scale of pay |
|--------|--|--------------|----------------|
| 1 | Divisional Engineer (Elec.) | 03 | Rs.18405-27510 |
